Appointment of Snowden for JORC Resource Estimate at Guadalupito

Highlights

- Latin Resources appoints Snowden for JORC resource estimate
- Scoping study assessment under way

Latin Resources Limited (LRS:ASX, Latin or the Company) is pleased to announce it has appointed the Snowden Group to commence the resource estimate work at the company's Guadalupito Project in Peru .

The resources estimate will commence immediately progressing towards Latin Resources' target of producing its first inferred JORC resource in September of 2011.

"We are moving forward as previously announced towards our maiden JORC inferred resource .The appointment of a credible consultant such as Snowden also demonstrates the commitment of Latin Resources to produce a quality resource estimate," Latin's Managing Director, Mr Gale said.
